**Jack Jubin** was one of the original members of the Chester County Challenge for Cancer ride committee. Before that, he was involved with another Chester County Challenge dedicated to Arthritis for many years. When asked to become a part of the Challenge, he did not hesitate. He quickly became involved with many areas of the ride, with a particular fondness of the 5 and 10 mile Family Routes. Each year, Jack could be found riding in the police cruiser that leads the five mile ride to ensure the safety of the riders.

Since the first Challenge in 1999, Jack helped the Challenge Committee raise over \$120,000.00 in funds for the Cancer Center of Chester County and the Neighborhood Hospice.

Jack will be missed this year as a part of the team. He is survived by his daughter Carol Nevulis who, like her dad, is a key member of the Challenge committee.

**We proudly dedicate the 2007 ride  
 in the memory of Jack Jubin.**
